**NORNIR**

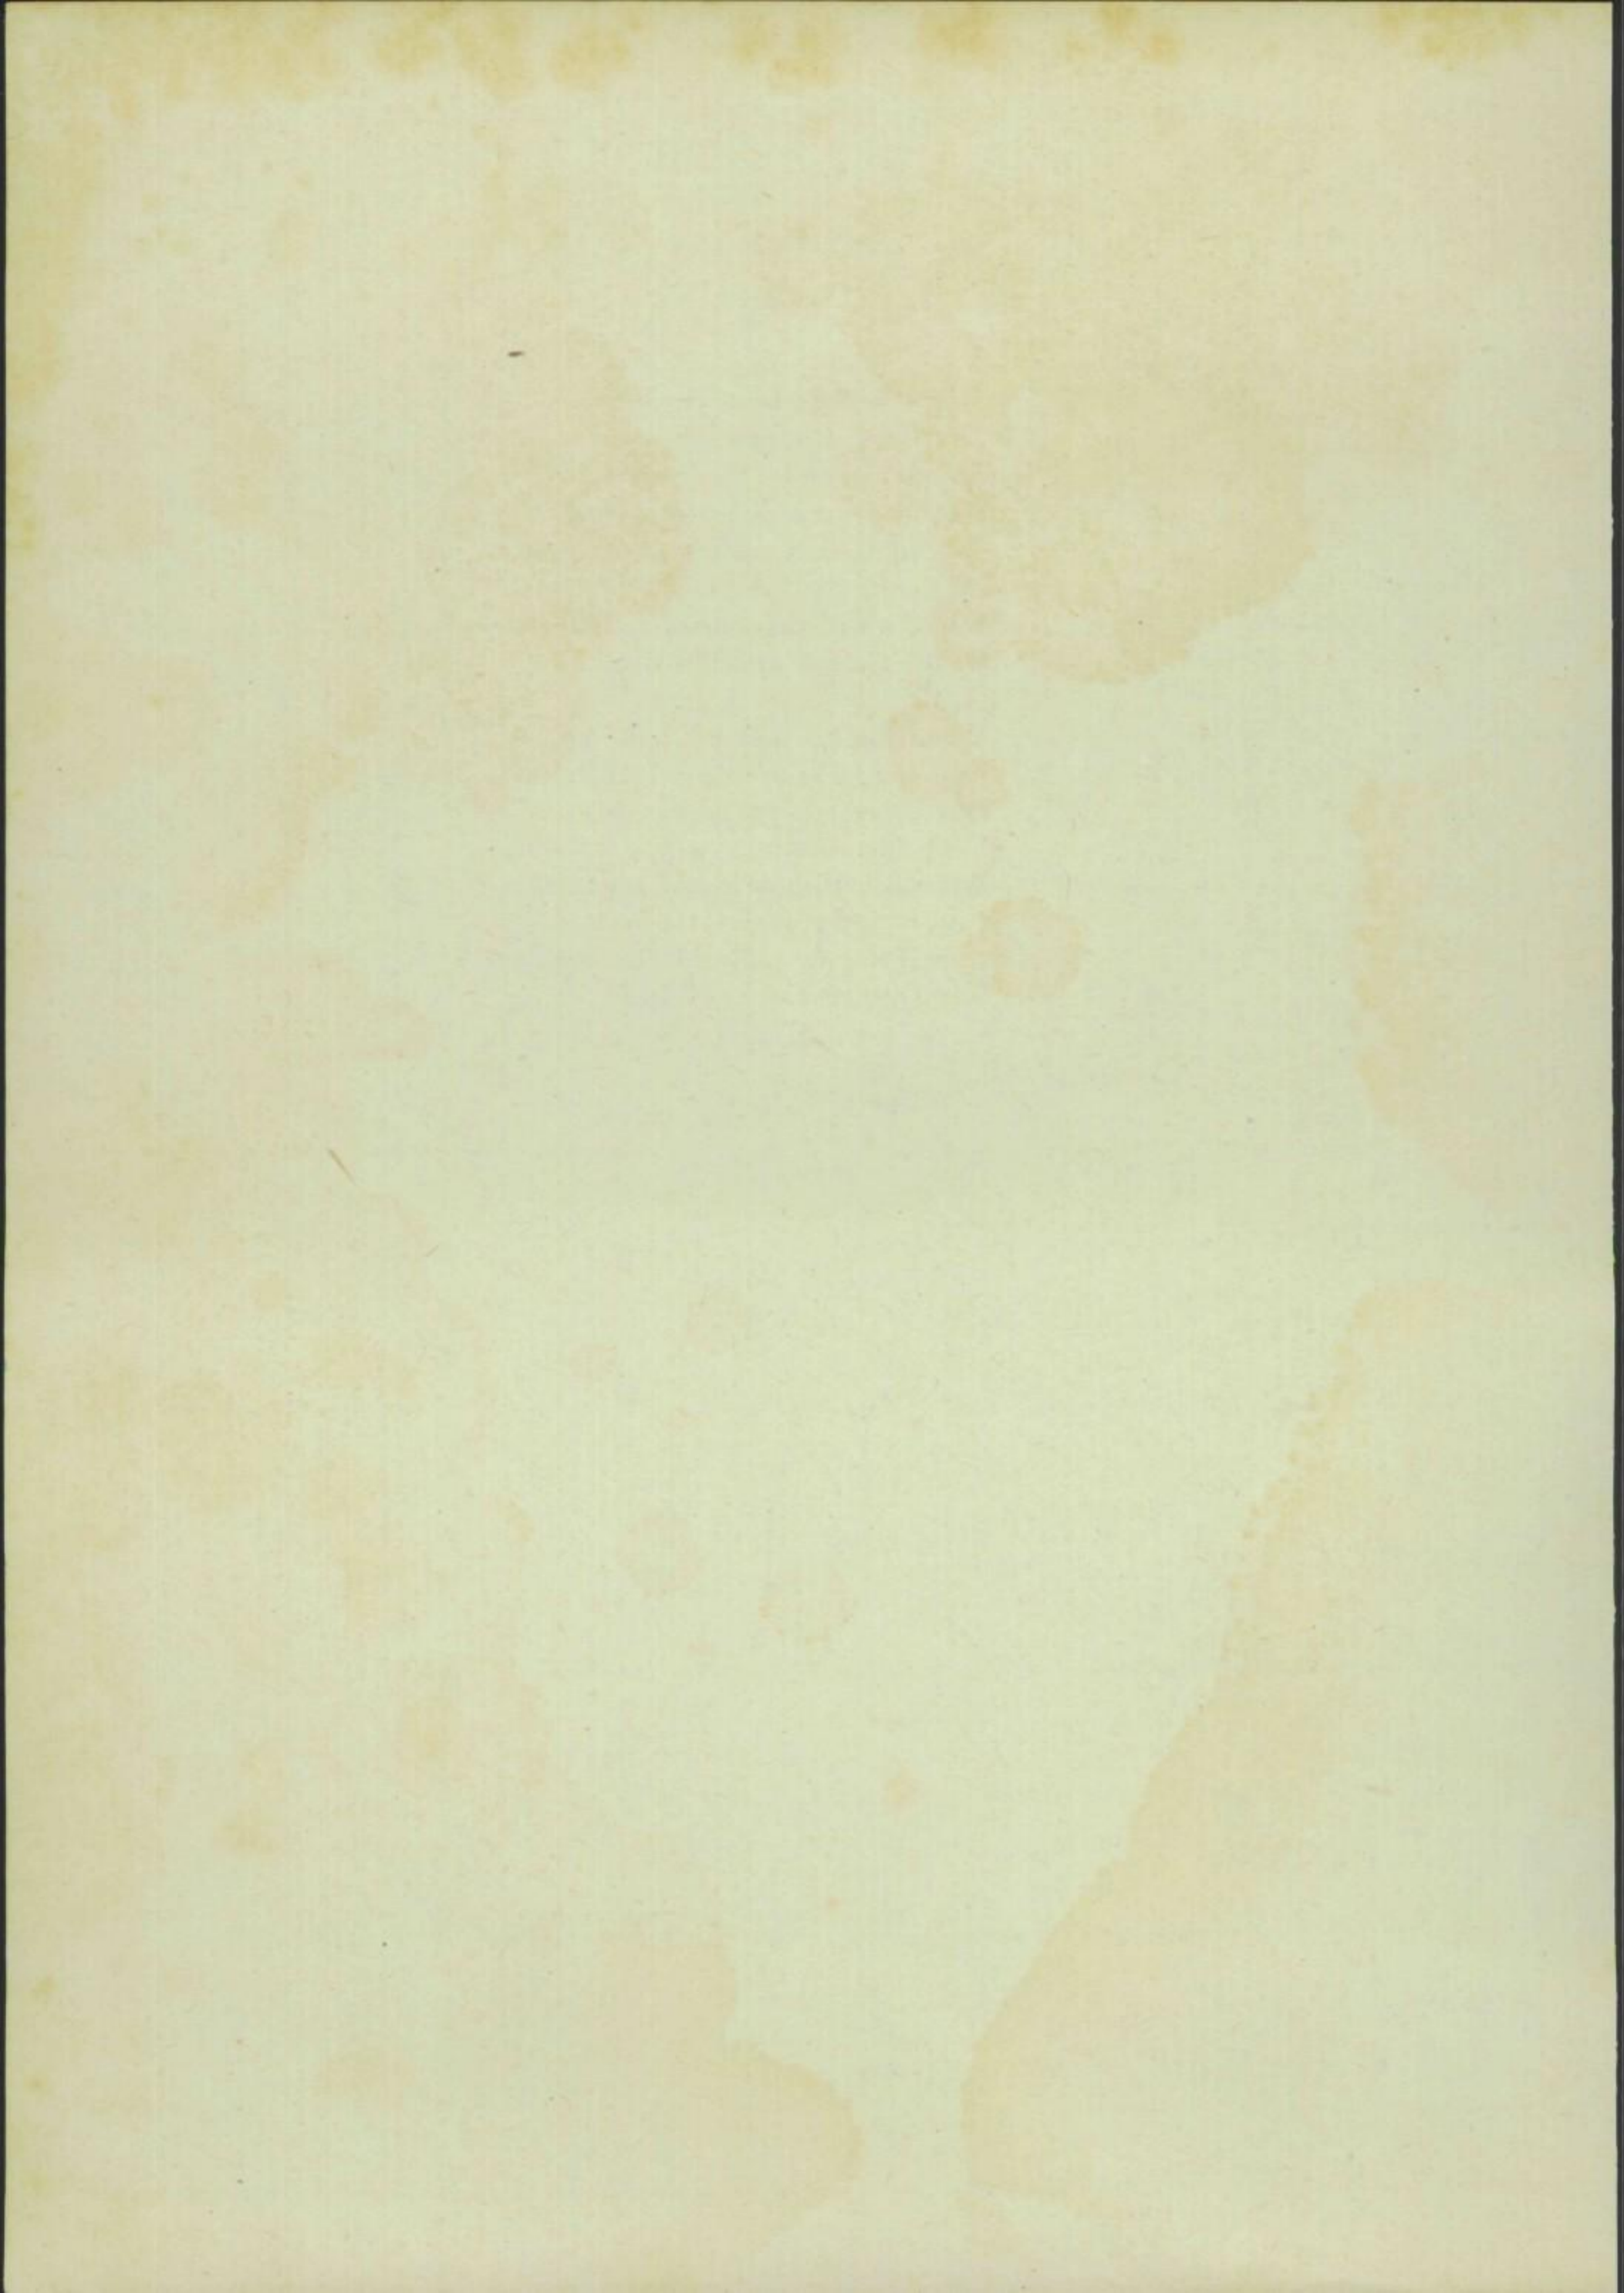

**1944**

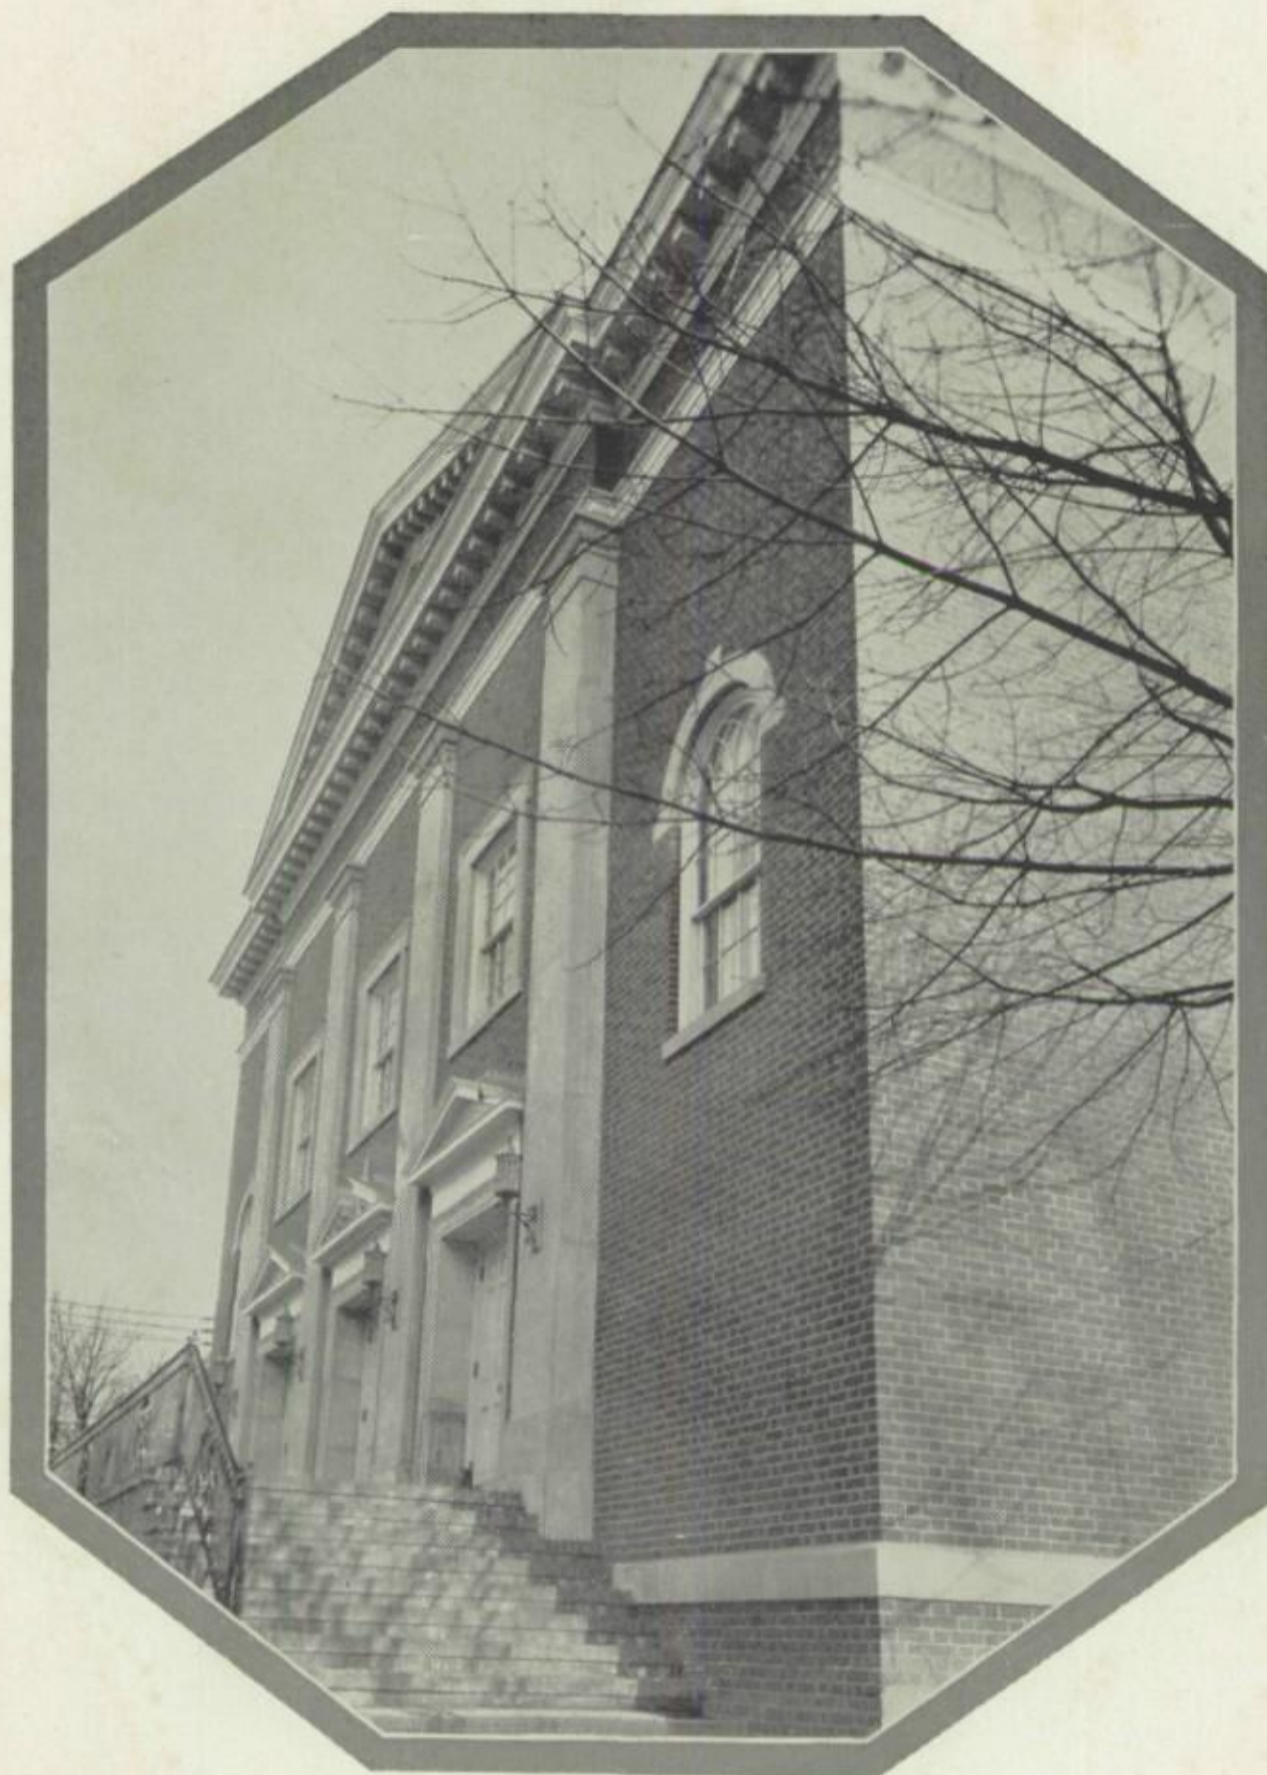

As the days go by with swiftmess  
That form the passing years,  
To our dear old Alma Mater  
We raise our songs and cheers.  
To Old High we pledge our favor,  
No honor shall she lack,  
While we pledge ourselves defenders  
Of the Orange and the Black.

When the cares of life o'ertake us  
And our locks are tinged with gray,  
Our dearest hopes betray us,  
False fortunes fall away,  
We can banish care and sadness,  
And turn our memories back,  
And recall the days of gladness 'neath  
The Orange and the Black.

THE Class of 1944 presents this *Nornir* to the students of Eichelberger High School with the hope that it will prove to be a cherished album, full of happy memories of the past three years of school life.

IF this *Nornir* brings about a better understanding of life, and a deeper appreciation for education, the aim of our class will be accomplished.

# *D e d i c a t i o n*

WE, the Class of 1944, dedicate this *Nornir* to the many members of our class who are now serving, and who will be serving, in the Armed Forces of the United States of America.

MAY this *Nornir* serve as a cornerstone in their lives, and as a tribute to those who will make the Supreme Sacrifice.

## *Superintendent's Message*

**Y**OU members of the Class of 1944 will probably witness the greatest changes to be experienced by any generation. The greatest scientific minds of your day are now engaged in an effort to produce the most massive and efficient instruments of destruction known to any generation. These instruments are being used to deal the knock-out blow to the enemies of civilized society, who have set themselves up as a master race to rule the remaining peoples of the world.

When the knock-out blow will have been dealt, as it surely must be, the biggest task ever to face civilized society will be at hand. The greatest minds, scientific and others as well, must devote their efforts towards building a world where another great military struggle cannot be waged.

You of the Class of 1944 will represent the generation which must produce the leaders and informed citizens who will make this possible. You must, without sentiment or prejudice, think straight and you must exercise civic and moral motives which will not permit any race to regard itself as superior to all others. Freedom is something which none deserve who do not have the courage to defend it for all peoples. The defense of freedom, after the war has ceased, will require more straight thinking without prejudice or sentiment and much more courage than any of the pre-war isolationists or pacifists would include in their makeup and plans.

*Mrs. Katherine Stackhouse  
Secretary to Mr. Bagshaw*

*R. A. Bagshaw, Supt. of Schools*

*Mr. Ray W. Gray*

## PRINCIPAL'S MESSAGE

Usually in writing a message to the Senior Class the principal attempts to add one last bit of priceless advice.

I do not wish to add to the valuable advice and admonitions which you have had regularly from your classroom teachers. If their advice is followed I am sure you will make but few errors in your life.

However, I do wish to point out to you a fact—a fact to which you may look forward with great pleasure.

This fact is; in the years that lie ahead you will look back to your days in High School and apply the lessons learned here in solving your immediate problems. You will look back at your high school experiences and learn additional facts and lessons from them.

Your education will not only continue to teach you, but you will also look back to the pleasant days spent here with increasing joy as long as memory lasts.

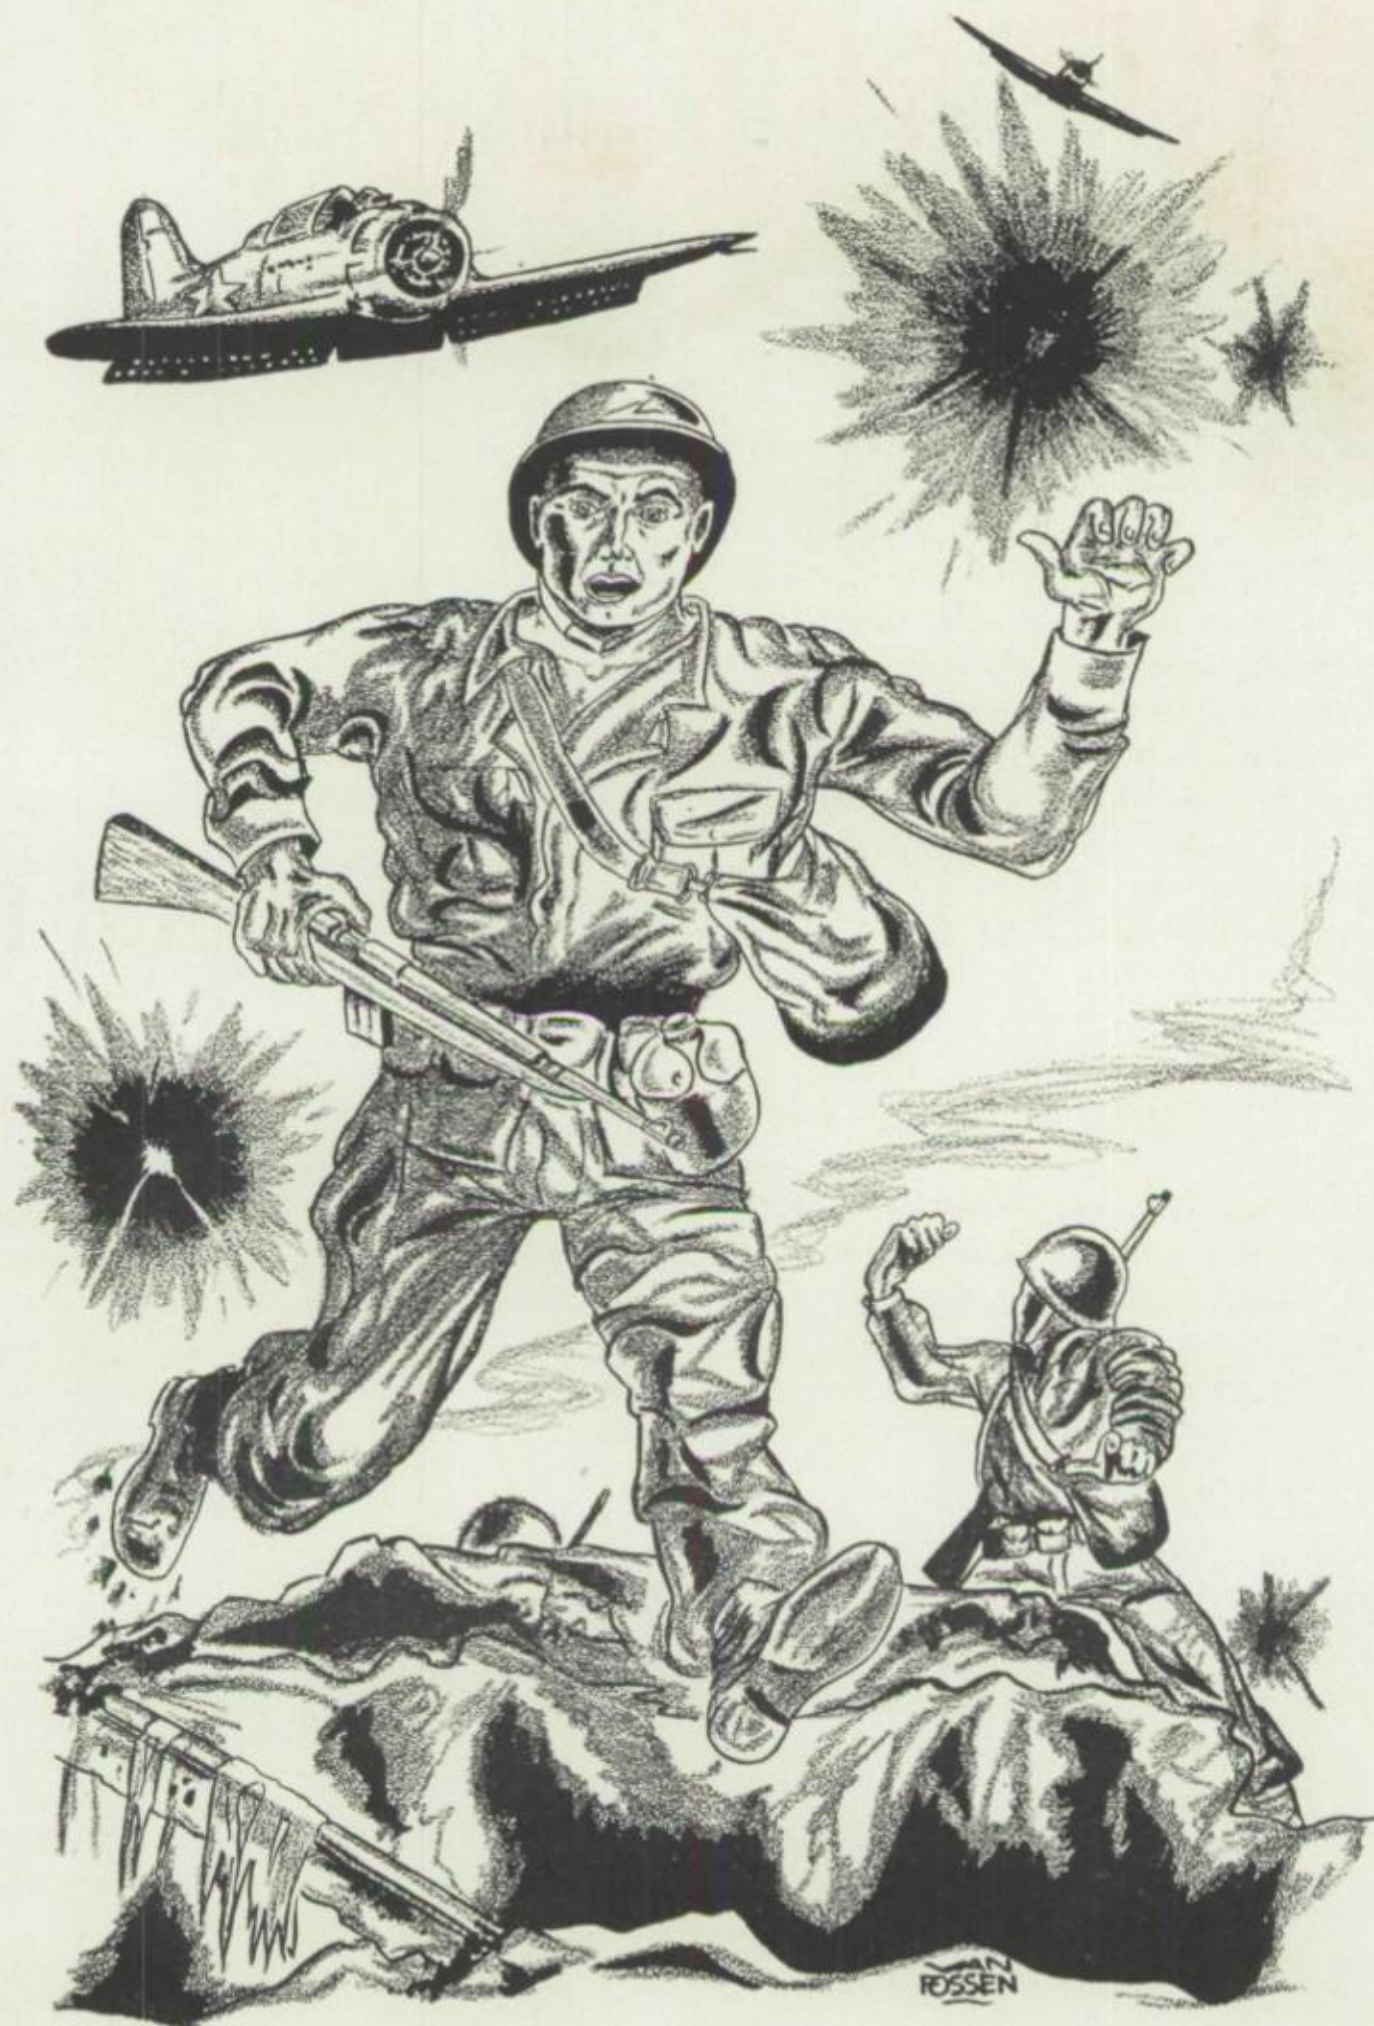

I also wish all of you good fortune and good health.

*Ray W. Gray, Principal*

*Irene Thieret*

*Secretary to  
Mr. Gray*

SENIORS

# History OF THE SENIOR CLASS

**W**E, the class of 1944 were joyously admitted to Eichelberger High School. As Sophomores, we began to build up as fine a reputation as could be established. During our first year in E. H. S. we presented a fine dramatic performance, "I'm In the Army Now." Many members of our class participated in the All Star Play, "The Night of January 16." We also boasted a few athletes who tried out for various sports. These boys stuck to their respective teams throughout our three short years of high school, and thus became very efficient. The girls as well as the boys participated in many sports and the chorus. The Seniors greatly appreciated the Soph-Senior farewell dance. Since this was a successful activity, we had bright hopes for the future years.

With memories of our past year of success, as Juniors, we gained a little more confidence in our activities. Our dramatical success this year was "A Connecticut Yankee in King Arthur's Court." Many of our class were seen in the All Star hit "Arsenic and Old Lace." In all the years to come we will

always remember the Soph-Senior Junior Prom. We appreciated the help the Sophomores gave us in making this dance a success.

As Seniors, sometimes very confident of ourselves, we look back upon our last year. Not too long ago we introduced to many people that laughable, lovable person "Charley's Aunt." Many of our class left us this year for the Army, Navy or Marines and to these boys we wish success in the Armed Forces. Many of our class served on the Orange and Black Staff, in the Band and Orchestra, and on the Cheerleading Squad.

During our last few days in school, we were repaid for our efforts by being guests of the Sophomores and Juniors at farewell dances. The last few days went by swiftly. The Baccalaureate Services were beautifully presented. As we sat beneath the Old Oak tree we wondered what the future had in store for us. The evening of graduation arrived and we left Eichelberger High School and all our kind and considerate teachers to become part of the school of the world, with its many cruel and some kind teachers.

**W**E, the Class of '45, entered our second year at E. H. S. with a determination to surpass all previous efforts in sports, dramatics, and scholastic standings.

Many of our boys and girls, with their untiring efforts, put everything they had into making this year's selected play, "Junior Miss," a hit and not a miss as the competing sophomores prophesied.

This year our Junior Class has liberally contributed to such charitable organizations as the Red Cross and the U. S. O. drives.

Our Junior Class can well take pride in their extended sale of United States War Bonds and Stamps, having exceeded their quotas in every instance.

Many of our fine athletes have once more proven their worth upon the basketball floor, and upon the football fields of rival schools as well as at home. One of our football players, Bud Musselman, a Junior Class member, was the high-scorer in the Southern Pennsylvania Football Conference.

The Junior Class is proud to announce that several of its members are now in the training for the United States Armed Forces. They are giving everything they have and are going all out for Victory. All of us realize the cost in sweat and toil of winning a war and these members of our Class, who are giving their efforts so unselfishly towards the welfare of the whole nation, are true patriots.

Many of our boys and girls have participated in intramural sports, such as; boys' bowling, girls' bowling, intramural basketball, and many other fine recreations.

Finally, we held the Junior Prom and bade the Seniors farewell, ever mindful of the fact that in the near future, we too would have to leave our beloved E. H. S.

Good luck  
in your school-  
work & when you  
leave the school

Dear Clairibel  
Lots of luck in  
your future years  
of high school (you'll  
find it) Dale.

## SOPHOMORE CLASS

### History

WITH an assortment of bewildered expressions, we Sophomores of the class of '46, proudly entered the wide halls of Eichelberger High School to begin a new chapter in our lives.

After the first confusions had cleared, we settled down to concentrate on being credits to our Alma Mater.

First to claim Sophomore attention was the welcome dance given in our honor.

The election of class officers, the next item on the year's program, proved to be a novel and interesting experience to us Sophomores. It was a very exciting moment for all of us when the election returns came in at the election dance.

During the football season, many of our boys participated in this sport.

The next sport to attract the attention of the Sophomore boys was basketball in which they helped complete a rather successful season.

Every Sophomore fully appreciated the keen rivalries between the home-rooms in the sale of bonds and stamps. We adopted an "all out for victory" motto that was carried out by most of our members.

Many of us participated in chorus work, in boys', girls' and mixed chorus. The Boys Quartette is made up of Elwood Leister, Gordon Culp, Larry Benford and Ned Masenheimer.

The Sophomore-Junior play was quite a success. The Sophomores that participated in this play displayed promising acting ability under the direction of Miss Mary Menges.

We of the class of '46 fervently hope that we may leave E. H. S. just as proudly as we entered.

## THE STUDENT COUNCIL

At the organization meeting of the Student Council, held in assembly, Mr. Gray installed the following officers:

*President, Richard Knippel*  
*Vice-President, Glenn Sheffer*  
*Secretary, Susan Leppard*  
*Treasurer, Charles Allewelt*

Always keeping the purpose of student participation in mind, the Council sponsored the election of officers, followed by the election dance. This dance, as well as the dances held bi-monthly, were very successful and enjoyed by all.

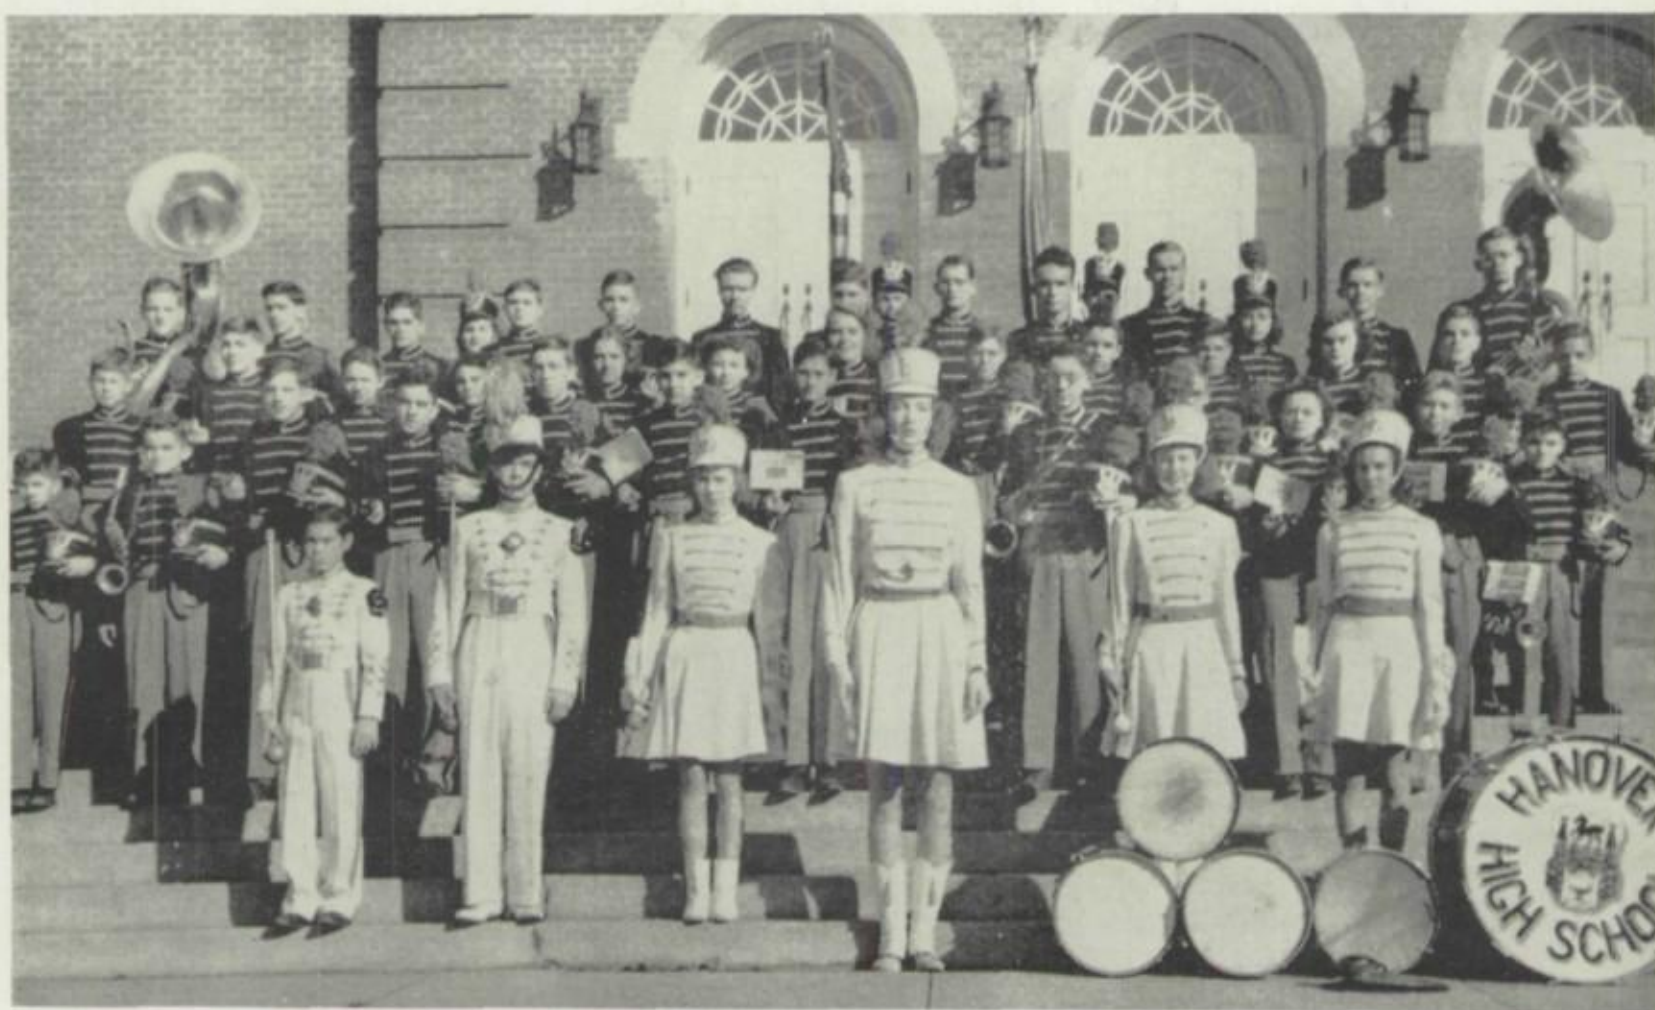

The Shares-For-Victory Plan was again carried on this year, with better results than ever before. To date, \$500 in bonds have been purchased. These bonds, together with

several bonds purchased by the Council last year, were presented to a representative of the Hanover Chapter of the American Red Cross.

After many years of obscurity, our trophy case, through the Council's efforts, was rebuilt and placed in a more advantageous position. Since then, the cups and awards, newly polished, are receiving a just share of attention.

As in previous years, the Oak Leaf Award will be presented to the boy and girl of our class who have been the most outstanding in scholarship and leadership throughout their high school careers.

Ever conscious of the war effort, the Student Council has made this year one of participation and achievement that will help bring Victory closer to its goal.

# THE HANOVER HIGH SCHOOL

## *Band*

The band of 1943-44 was composed of forty members including those from Jr. High. The band made its presence well known at all Hanover High football games at home. Due to transportation difficulties they were unable to appear at games played away from home.

The band boasted of three drum major-ettes and two drum majors who made a good appearance in front of the band.

The Spring Concert also featured the High School Band.

Dear & loved,  
 lots of luck in future years.  
 May you always have a lot  
 of sickness and happiness.  
 You are a swell gal and deserve the best.  
 As always,  
 As "Phoebe".

## THE ORCHESTRA

This year's orchestra consists of sixteen members from all three classes. As was their custom in previous years, they participated in plays, the operetta, and our weekly auditorium programs. Their Spring Concert brought their successful year to a close.

The 1943-44 orchestra changed from classics to popular music, their new song being, "Good Night Sweetheart."

## THE GIRLS' CHORUS

Every Monday morning, the first period, a group of girls practiced in room 103. The good work that they did was very evident when the time came to hear the various programs that they presented. Among these programs were the Easter and the Christmas cantatas.

From this group of girls were chosen the individual trios. The senior trio was composed of Martha Kintzing, Mary Ellen Beard, and Elaine Frock; the junior trio was made up of Katherine Schuman, Betty Royer, and Jean Gobrecht; and the sophomore trio consisted of Lena Baker, Phyllis Blettner, and Betty Sheffer.

# THE BOYS' CHORUS

Under the direction of Miss Turner, boys from all three classes made this year's chorus one that will be hard to equal in the future. Meetings were held each Tuesday morning in the music room.

Philip Waltersdorf, Clyde Mummert, Marvin Stine, and Dean Yost, composed the Junior quartet from this group. They sang from time to time in the weekly auditorium programs. The Sophomore quartet was composed of Dean Dubbs, Elwood Leister, Larry Benford, and Ned Masenheimer.

## THE MIXED CHORUS

The mixed chorus, directed by Miss Turner, was a combination of the girls' and boys' choruses. The good work done by members of all three classes gained them a reputation of which we are justly proud.

During the year, this vocal group sang two splendid cantatas—at Christmas and at Easter time. From time to time, small groups sang for the weekly auditorium programs. Throughout the year, the senior trio entertained various groups, clubs, and societies.

The school as a whole, and the participating chorus students, found that this extra-curricular activity was enjoyable as well as educational.

 Standing: *R. Null, A. Young, S. Willet, R. Mummert, J. Waigner, I. Baumgardner, M. Coulson, J. Frey, C. Allewelt.*

## THE SENIOR PLAY

### *"Charley's Aunt"*

The Senior Class presented a three act comedy, "Charley's Aunt," November 4, 1943. Mr. Shirk directed.

The plot of the comedy was centered around Lord Fancort Babberly, who was substituting for Charley's real Aunt. The fun began when Donna Lucia D'Alvadorez, Charley's Aunt, finally showed up.

## VARSIITY FOOTBALL

A. G. EALY  
Head Football Coach

*Now Serving in the  
United States Navy*

The 1943 edition of our Orange and Black gridiron machine was far above the average. The Hawks could proudly say they out-fought every opponent; had the games been decided on the basis of play, they still would be undefeated.

The Nighthawks earned many places on the mythical All-Conference team, and some boys were placed on the All-State honor roll.

All of the Seniors on the squad and some underclassmen are either members, or soon will be members, of the greatest team on earth—The United States Armed Forces.

Next year will see many boys back and to those fellows we all wish the best of luck.

The 1943 football season brought to a close the highly successful coaching regime of Mr. A. G. Ealy. During his tenure, the football teams representing Hanover High School came to be a power in the Southern Pennsylvania football world. Each year, they have either succeeded in winning the Southern Conference championship, or have been the team that had to be beat in order to capture the crown.

Mr. Ealy is now serving in the United States Navy.

## *The Successful 1943 Season*

### DELONE CATHOLIC HIGH *"The Neighborhood Affair"*

Hanover opened its fairly successful season with a 31-6 victory over Delone. Although the score seems to be decidedly in favor of the Hawks, the game was strongly contested.

A fumble set-up Hanover's first score and the Hawks continued to add six pointers all through the game.

Delone's only score was the result of a blocked punt.

John Gross made three touchdowns, Muss and Baublitz one each, Reds Rightmire made the only extra point.

### GETTYSBURG HIGH *"Blitz on the Battlefield"*

The Hawks got off to a slow start in their first Conference game, but once they got rolling the weak Maroons couldn't stop them.

Despite the fact that Coach A. G. Ealy elected to use his second team the last half, the Hawks continued to add to the 19-0 half time lead.

Hanover outclassed their opponents 17-3 in first downs and outscored the Maroons 38-0 in points.

### MECHANICSBURG HIGH *"We Did It"*

Early in the second period the Cats struck with a scoring pass play that went from Engle to Dixon. The point after touchdown was good.

Hanover soon scored a six pointer but could not convert the extra point.

The score remained 7-6 in favor of the Cats during the entire third quarter and late in the fourth the Wild Cats still held their one point lead.

Backfield: Baublitz, Gross, Musselman, Rightmire.

FRANK VANDERWALL  
*Faculty Manager, Athletics*

Just 46 seconds before the final whistle Bud Musselman and Company pushed over their much needed and well deserved T. D. and Don Wentz added the extra point from placement.

#### CHAMBERSBURG HIGH

##### *"We Getta Whippen"*

The Trojans gave Hanover their first defeat in twenty-two games.

Chambersburg's touchdown came when Snipe Gross attempted a quick kick. The ball was blocked and Koutris slid over the goal line with the pig skin in his possession. The extra and game winning point was made by Lenker.

As the second half got under way, Dean Yost recovered a Trojan fumble and set his team in a scoring position. The Hawks did score but could not add the extra point.

Several times later in the game, the Hawks were within their opponents' ten yard line but could not score.

#### COLUMBIA HIGH

##### *"The Rebound"*

The Hawks regained their scoring ability to defeat Columbia 19-7.

The Hawks' first score came after a drive of 45 yards. The last two scores came after 60 yard drives.

Muss had two six pointers to his credit and Baublitz one T. D. Don Wentz added the only extra point.

Columbia's only score was the result of an aerial attack.

#### CARLISLE HIGH

##### *"Butter On Our Fingers"*

The Ealy coached eleven from Bunker Hill not only fumbled in several dangerous situations, but they elected to try and run from their own end zone rather than punt.

The Carlisle line crashed through and stopped the Hawk's ball carrier to account for the Herd's two points.

The second half was only six plays old when Muss hit paydirt. Again in the fourth quarter, Snipe Gross traveled to T. D. land and gave his team a well deserved 12-2 victory.

#### HERSHEY HIGH

##### *"The Downfall"*

Early in the game Jim Rightmire fumbled a Hershey punt; the Chocolate-town boys recovered and soon had a touchdown.

Hershey then started to use the one weapon which Hanover seemed to be unable to stop—passing. A reverse that ended in a pass was used three times and got three touchdowns.

Muss made Hanover's only score on a long sprint.

By winning the game Hershey's team won the South Penn Championship.

#### WAYNESBORO HIGH

##### *"The Happy Ending"*

Hanover took the field knowing that they couldn't be champs as a team but could have a champ on their team. So they proceeded to gather Bud Musselman the necessary points to make him scoring champ for the 1943 Season.

They won the game 26-0, and they also won the scoring honor for a Hanover lad. That was enough to make the game more than entertainment for the fans and fun for the players.

## VARSITY TRACK

The 1944 Nighthawks boasted few veterans, but what they lacked in experience they gained by rugged conditioning and stiff determination.

The Hawks opened their season in a dual meet on the Fair Grounds. The opposition was Carlisle. Next the boys of E. H. S. participated in the annual Class Meet.

The South Penn Meet saw the Hawks fighting to retain the Conference Crown. They wound up the regular season at Gettysburg in a dual affair.

The District Track Meet again saw the boys from the Hill giving their best and getting fine results. A first or second at the District Meet will send them to the State Track Meet at Altoona.

*We've got a team,  
We've got a yell.  
We've got a team  
That fights like—

## THE CHEER LEADERS

On the football field and the basketball floor, these faithful cheer leaders kept the crowd in high spirits whether the team was losing or winning.

Under the coaching of Miss Eleanor Turner, several new cheers were introduced.

Two of our four cheer leaders, Martha Kintzing, and Janet Wolford, were awarded letters for their efforts. The members were Gene Huggens, William Warehime, Pauline Kopp, Anita Gerrick, Jean Gobrecht.

## GIRLS' SPORTS

The 1943-1944 Eichelberger High School girls' sports program was a varied and popular one for most of the girls. The season started with a softball tournament in which the senior team won. This sport marked a successful beginning for the program. Tennis was also enjoyed by a large number of girls.

As the weather grew colder the girls came indoors to enjoy basketball, ping-pong, badminton, volleyball, goal-hi, bowling, and croquet. A croquet tournament was added as a new sport this year by student request. Many participated in basketball and bowling. In volleyball and basketball approximately ten teams participated. The "Pigtails," a Junior team, bore the honors for basketball.

For the spring program, brackets were drawn up

for archery, tennis, track, and softball.

Despite the fact that more girls worked this year part time in stores and industry than any other year, they were most faithful in attendance at sports.

The program was climaxed for the school year 1943-1944 by the annual "Play Day" in the gymnasium Saturday, May 6. The following schools were invited to play: Gettysburg, West York, Chambersburg, New Oxford, and the ninth grade girls of Junior High, Hanover. Girls from all schools played together against similar teams.

Our girls, by cooperating in this intra-mural program, have had a combined physical and mental education. They will always be able to display adaptability, quick thinking, and true sportsmanship.

My dear & sincere friend (- Who's kidding ???)

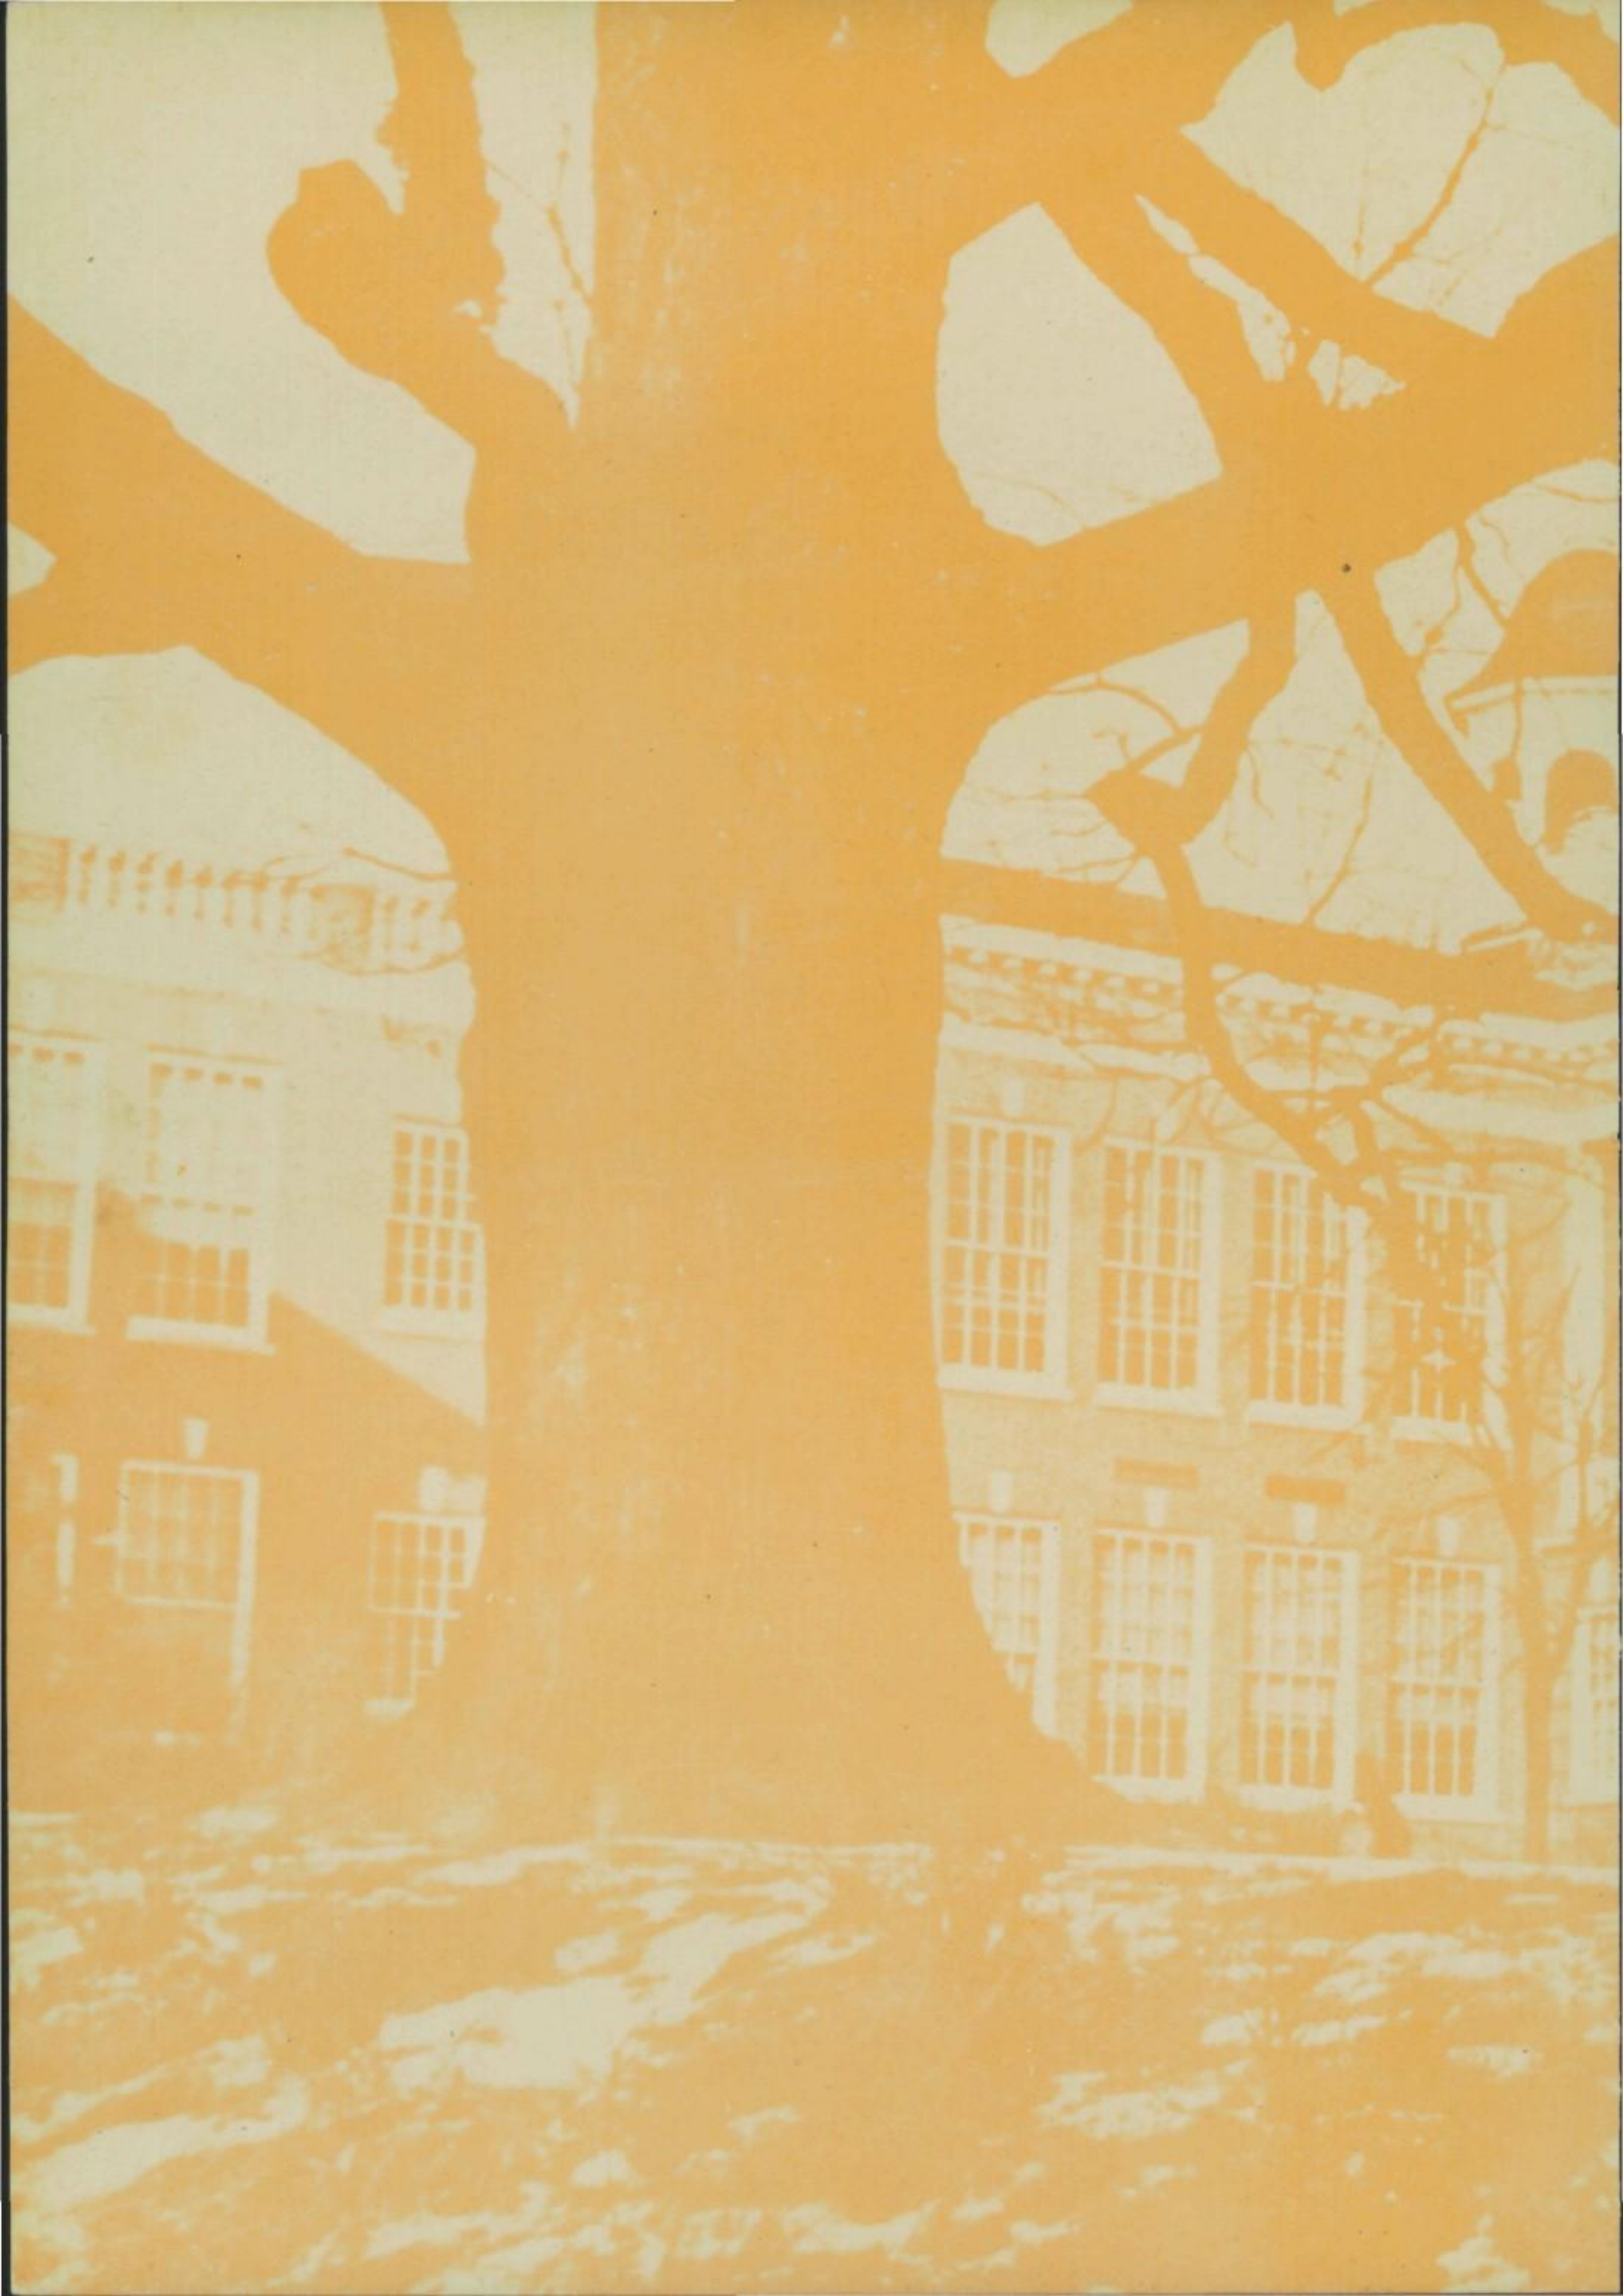

First in Jr. High & now in Sr. High  
they threw us two together. They ought  
to soon wise up. I often think & I'll  
never forget the rugged times we  
have had together. First we get  
caught for swimming in the halls  
next we hide in the closet &  
then least but not last we get  
caught with the ice cream.

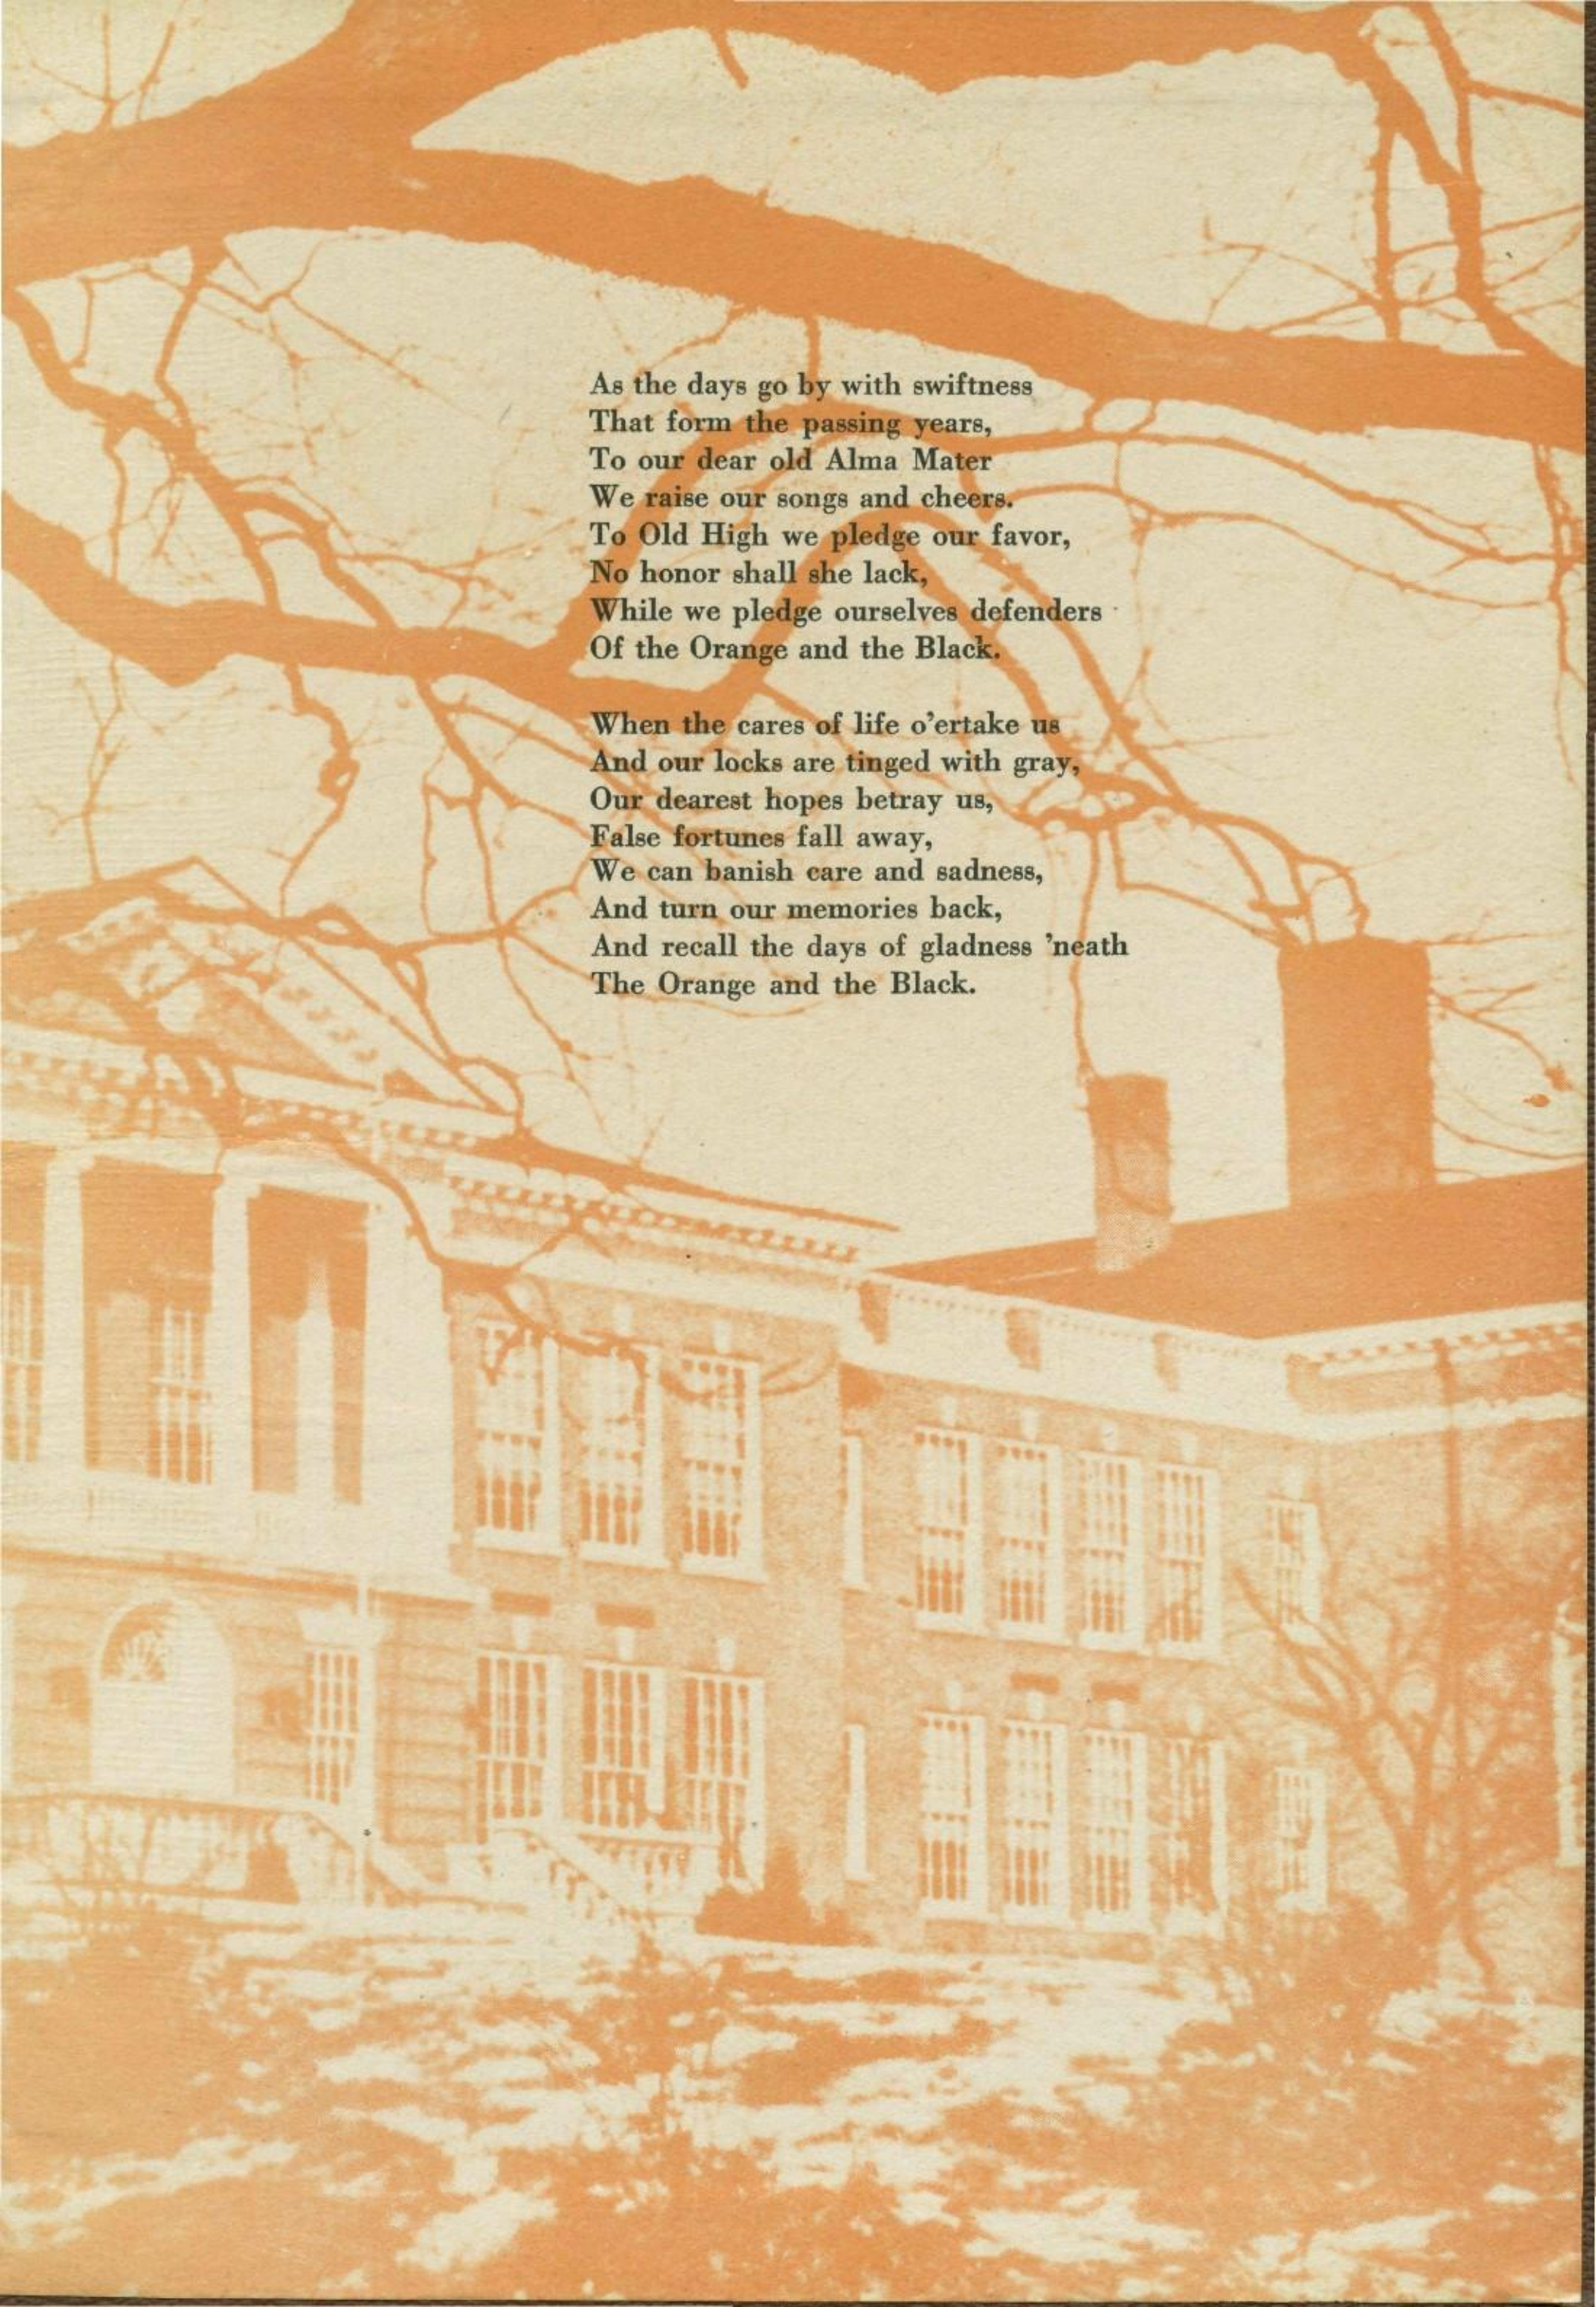

Oh! What a life we lead.  
Now I've written in your book  
& I hope you are satisfied.

As always, good and

Gladly Reitzel.

Better known as  
"Twitzel"  
or  
"Stuffie"

As the days go by with swiftness  
That form the passing years,  
To our dear old Alma Mater  
We raise our songs and cheers.  
To Old High we pledge our favor,  
No honor shall she lack,  
While we pledge ourselves defenders  
Of the Orange and the Black.

When the cares of life o'ertake us  
And our locks are tinged with gray,  
Our dearest hopes betray us,  
False fortunes fall away,  
We can banish care and sadness,  
And turn our memories back,  
And recall the days of gladness 'neath  
The Orange and the Black.
